[See bottom to help us win \\$1000.00 by getting the GoodApp.](#)

Aloha and mahalo to everyone who voted for 9th Life Hawaii in the Shelter Contest as once again we received the most votes in Hawaii. Because of your support, 9th Life Hawaii won \$1,000.00 which covers roughly 1/12 of our annual food bills. The 9th Life kitties and their supporting staff of humans thank you.

We are excited to announce that 9th Life will be bringing Nathan Winograd to Maui for a presentation on August 25, 2012. Nathan is the founder of the No Kill Advocacy Center, and author of "Redemption" and "Irreconcilable Differences". He is first and foremost an animal advocate and the renowned leader of the No Kill Movement in the UNITED STATES. So save that date (August 25, 2012) for this exciting presentation. More information to follow shortly.

We would love to add a presentation by Bonney Brown, Executive Director of the Nevada Humane Society. If we are fortunate to be able to also bring Bonney to Maui, she would explain how she turned an 80+% kill rate at the Nevada Humane Society and transformed it almost overnight to an over 90% save rate. At the moment we truly need corporate and individual sponsors to help cover the expenses of this conference and to add Bonney as a speaker. Call 808-572-3499 if you are interested in becoming a sponsor of this important event. These are the leaders we should be listening to. These are the leaders we should be emulating.

Again we thank you for supporting our No Kill mission and our sanctuary that provides a safe haven for over 275 cats on any given day. Because of your support we are proud to announce that we have now sterilized over 4,529 cats and have three more clinics planned for May and June. Below is another way that you can support 9th Life Hawaii and help us win \$1,000.00. Simply click on the "[Get the GoodApp](#)" and follow the instructions.
