## 9th Life Offers Donation Challenge

**It's kitten season!** Every size, shape and color kitty is available for adoption. Call 573-3365, 9th Life Hawai'i's special adoption line, to make an appointment.

9th Life Hawai'i, Maui's only no-kill cat rescue and sanctuary nonprofit has been offered a tremendous opportunity. An anonymous donor, who has offered to give \$55,000.00 to reduce the mortgage on the 9th Life property, is challenging 9th Life supporters to match her contribution.

"Reducing our mortgage will give us more resources to help many more cats," said 9th Life Hawai'i CEO Phyllis Tavares.

9th Life Hawai'i provides shelter for approximately 200 cats each day.

"For most of these cats, we were their last resort," added Tavares.

The nonprofit has also provided free or extremely low-cost sterilizations for over 2,600 of Maui's cats.

"You can help us help more cats," said Tavares. "Please donate to this challenge grant as soon as possible. We don't want to lose this opportunity and are counting on you to help us help the kitties."
