

# Petco On Maui

Petco has come to Maui and we are very excited. Besides being a great place to shop for your pets, 9<sup>th</sup> Life Hawaii will be holding adoption clinics there regularly. They are located in the Maui Market Place Mall on Dairy Road in Kahului between Office Max and the Food Court. Check them out. You won't be disappointed.

Many of the cats below will be brought to this Petco store on our adoption days. For those of you visiting Maui, perhaps you want to take a little bit of Maui home with you. We even have several cats with the unique (bent) Maui tail.

Heidi pictured here is one such cat. Her Maui tail stands out at a right angle from her body.

We can help with travel arrangements but cats will have to travel in the cabin with you as we will not send them cargo.

Call (808) 573-3365 to for an appointment to see available cats at our sanctuary and/or to find out when we will be at Petco.

Appointments **MUST** be made to tour the sanctuary and/or to visit with our adorable adoptables.
